The Fairy House Dance Camp

This camp will incorporate the Fairy House Book Series by award winning author Tracy Kane. Campers will share the stories, explore the characters through dance and free expression movement. Over the course of the week, campers will learn how to make fairy houses, the decorations and the food for visitors to the fairy houses. Fairy wings are optional, we have plenty to share! This camp melds fairy literature and exploration of dance while incorporating nature as we create our fairy house village.
