

2024-25 Dance Season Scholarship Program - Round One

iDance intends to offer two application rounds for 2024-25 scholarship assistance. This application is for the first round of consideration and is open to all dancers interested in enrolling at iDance for 2024-25. We anticipate that a second deadline and separate application will be made available in mid-July. Please note carefully the following information before submitting your application:

- A fully completed application must be submitted no later than 5pm on Tuesday, July 15, 2024. Decisions on completed applications submitted by this time will be issued by July 31, 2024.
- Applications may be mailed to or dropped off at the studio office (3356 Ironbound Rd., #501, Williamsburg, Virginia, 23188), or submitted electronically to board@institutefordance.org; no application can be considered without complete supporting documentation.
- For families with more than one dancer, please complete one application for each dancer for whom the family is seeking scholarship assistance; only one set of supporting documentation is needed per family.
- Scholarship assistance may be awarded in varying increments <u>up to a maximum of three hours of classes</u> per week per dancer; awards will vary depending on the applicant's situation and the available funding.
- Families receiving scholarship assistance that covers a portion of the total tuition due are responsible for timely payment of the remaining balance; standard late fees will apply to any family balance due.
- Scholarships are available to youth dancers only (18 years of age or younger at the time of application).
- Priority consideration for scholarship awards will be given to families not already receiving other tuition discounts such as the dancer and family maximum monthly tuition rates.
- Scholarship awards are determined by a subcommittee composed of representatives from the iDance Board of Directors and the local community. While every effort will be made to provide scholarships to families with the greatest financial need, all awards are made at the sole discretion of the subcommittee.
- Awards made are for the full 2024-25 dance season, but will be reviewed in December 2024/January 2025 for continuation in the second semester. The continuation of each award for the second semester is contingent upon the dancer's compliance with all studio conduct and attendance policies.
- Family accounts must be in good standing at the time of application and throughout the award period.
- Scholarship awards DO NOT cover annual registration fees, audition fees, or production fees.
- Scholarship awards DO NOT cover the cost of costume fees for any productions. These expenses (typically \$65 \$70 per costume) are the responsibility of the family.
- Scholarship awards DO NOT cover any tuition or fees associated with The Movement Dance Company,
 The Movement Ballet Company, Master Classes, or any other opportunities beyond regularly scheduled
 weekly classes.
- Scholarships MAY NOT be combined with any other financially subsidized program offered by iDance.
- Families must apply for scholarship awards annually, and it is important to note that a similar award/level of tuition assistance is NOT guaranteed from year to year.

The number of scholarships and amount of tuition assistance awarded each year are variable and depend on the availability of funds designated for this purpose.
